

ELECTION RETURNS.

The Next United States Senate Will Be Republican by at Least 16 Majority.

A LOSS OF FOUR TO REPUBLICANS

Greater New York, Which Elected a Fusionist Last Year, Went Democratic by a Large Majority.

Gov. Odel Was Re-Elected Governor of the State of New York by a Majority of 12,887.

Republican Majority in Ohio Estimated at 100,000—Democrats Claim Gain of One and Republicans Two Congressmen.

Washington, Nov. 5.—The latest returns received up to 10:30 o'clock Wednesday night show that the republicans, including in this description the fusionists elected from the Pittsburgh-Allegheny districts in Pennsylvania, will control the next house by a vote of 204 republicans and 17 democrats, with one district, the Eighth Tennessee, and two California districts remaining so much in doubt that the official returns will be needed to decide the result. The totals given are believed to be correct, although there are a few districts, such as two in Colorado and one in Minnesota, where the republican and democratic party managers respectively do not concede defeat, but the general result could not be affected even should their claims prove well founded.

OHIO.

Cincinnati, Nov. 5.—City complete giving Laylin, rep., for secretary of state, 24,094 majority indicates a republican majority in Hamilton county of nearly 30,000.

Columbus, O., Nov. 6.—Chairman Dick, of the republican state headquarters, late Wednesday night had complete returns from 86 of the 88 Ohio counties, showing a republican plurality for state candidates of 50,367. The two counties not heard from are Putnam and Noble. The former gave a democratic plurality of 2,541 and the latter a republican plurality of 751 last year. Deducting this difference of 700 he estimates the republican plurality in Ohio at 50,107, but he expects both Putnam and Noble county to show republican gains, and that the official vote will exceed these figures. Although 17 counties have not returned their total vote, it is estimated as close to 500,000. Chairman Garber, of the democratic state committee, said: "The democrats made gains in more than two-thirds of the counties in which Mayor Johnson, of Cleveland, pitched his tent. Complete returns will show an average republican plurality for state candidates, as compared with recent years. Democrats are not discouraged. We will fight again on the same line."

Chairman Garber expresses satisfaction with the result for congressmen, in which contest the democrats elected the same number as two years ago, although he had expected a gain of three. In his closing statement he eulogized Mayor Johnson as the opponent of Senator Hanna.

INDIANA.

Indianapolis, Nov. 6.—Estimated pluralities by counties received at state headquarters Wednesday indicate the election of the republican state ticket by 26,000. The congressional pluralities estimated are: Hemenway, rep., 1,350; Miers, dem., 650; Zener, dem., 3,300; Griffith, dem., 2,450; Holliday, rep., 2,950; Watson, rep., 3,100; Overstreet, rep., 3,500; Cromer, rep., 4,200; Chas. Landis, rep., 3,100; Crumpacker, rep., 5,100; Fred. Landis, rep., 5,200; Robinson, dem., 500; Brick, rep., 1,500. The republicans in the legislature will have a plurality of 64 and possibly 65. The senate will probably stand 35 republicans and 15 democrats and the house 72 republicans and 28 democrats. The republicans have elected 16 senators and the democrats 9 senators who hold over two years and will form the nucleus of the legislature that will elect a successor to Beveridge. In Marion county the only close fight is for treasurer.

KENTUCKY.

Frankfort, Ky., Nov. 5.—Reports early Tuesday night from over Kentucky show that but little interest was manifested in the congressional elections, except in the districts embraced in Appellate Court districts. Advice from the Sixth Appellate district, in which Judge Paynter is seeking re-election, are that he has won by a majority of 2,500 votes. This is 1,000 short of what the party managers figured on, and indicates the defeat of Democratic Congressman John N. Kehoe by W. H. Castner, rep. In the Fifth Congressional district, the Louisville district, in which an appellate judge was also elected, early reports indicate the defeat of Republican Congressman Irwin and of Appellate Judge Durrelle. The republicans do not concede this, however, and claim confidently the re-election of Durrelle. The warmest fight in the state was in the Second Appellate district, in which Chief Justice Guffy sought re-election and was opposed by Judge Warren Settle. This district embraces the Third Congressional district and the race between John Rhea and Congressman Moss was equally exciting.

LEXINGTON, KY., NOV. 5.—

The democrats elected the city ticket by 600 majority. Trimble, dem., carried the city and county in the congressional race.

ILLINOIS.

Chicago, Nov. 5.—In the Sixth congressional district, where ex-Congressman William Lorimer has been making a desperate fight to recover the position he lost in the last congressional election, the contest is exceedingly close. Lorimer, with two-thirds of the district to hear from, had a lead of 41 votes and it will be impossible to arrive at the result in this contest before Wednesday.

The fight in the Third district is also very close, but Wilson, rep., has a lead of 200 with half of his district yet to report and although the chances are that he will win out the result is too close to predict with confidence. In the city of Chicago the election was full of surprises. The republicans triumphed in democratic strongholds and the democrats returned the compliment in fullest measure. The head of the republican ticket,

Busse, the candidate for state treasurer, has carried the city of Chicago and county of Cook by approximately 14,000, and at the same time Barrett, the democratic candidate for sheriff, has undoubtedly beaten the republican nominee by about 16,000. Klobb, the democratic candidate for county treasurer, has also carried the city by about 8,000, and the republicans rely upon their usual majority in the county outside of the city to elect Hanburg, their candidate. It may possibly result in that manner, but the aspect at present favors Klobb.

Chicago, Nov. 5.—The republicans have carried Illinois by a plurality of about 45,000. The republican leaders claim that they have elected Busse for state treasurer by 47,000 and Mamer for clerk of the supreme court by 45,000.

MICHIGAN.

Detroit, Mich., Nov. 5.—The republicans of Michigan have elected Gov. A. T. Bliss and their entire state ticket, 11 of the 12 congressmen and an overwhelming majority of the members of the legislature. The republican majority is estimated at midnight at between 30,000 and 40,000. Gov. Bliss ran heavily behind his ticket—from 10,000 to 15,000, it is estimated at midnight. L. T. Durand, the democratic candidate for governor, polled a correspondingly heavy vote, especially in Detroit, which he carried by from 4,000 to 6,000. At midnight all indications pointed to the election of Alfred Lucking, democrat, to congress from the First district. John B. Corliss, the present member, was cut deeply. Total returns from one-fifth of the precincts in the First district give Lucking a lead of nearly 1,000. While the returns indicate that the democrats have increased by a few members their representation in the state legislature, the republicans will have an overwhelming majority in both branches. This assures the election of Gen. R. A. Alger to fill the unexpired term of the late United States Senator James McMillan.

NEW YORK.

New York, Nov. 6.—Official figures on the vote for governor vary but little from the unofficial reports. According to returns made to the executive at Albany by the several county clerks, the plurality for Odel is 12,887. Only three counties above the Bronx were carried by the democratic nominee, the aggregate plurality for Odel in these counties being 1,011. This and the Greater New York plurality of 12,074 given to Odel was met and overcome by an up-state republican plurality of 135,972, the difference being a net plurality of 12,887, against 111,126 plurality for Odel in 1900.

The state legislature is controlled by the republicans by a reduced majority, but one so large as to admit of no doubt of the return of Mr. Platt to the United States senate.

MISSOURI.

St. Louis, Nov. 5.—At 11 o'clock partial returns from the state indicate a falling off in the total vote as compared with 1900 of 15 to 25 per cent. Especially is this so in the central portion. In several districts the fight for congress is very close and definite results will probably not be known for 24 hours. At republican headquarters it is claimed there is a slight republican gain in Missouri counties.

At democratic headquarters it is claimed the democratic ticket will come to St. Louis with 15,000 to 18,000 majority. Indications point to a sweeping democratic victory in St. Louis with a plurality of 15,000, the election of two democratic congressmen out of three and the full democratic city ticket.

NORTH DAKOTA.

Fargo, N. D., Nov. 5.—North Dakota has gone republican by about the usual majority, although Gov. White, rep., who is a candidate to succeed himself, runs somewhat behind the balance of the state ticket. The republican state committee estimates that White's majority will be from 7,000 to 8,000. North Dakota elects two congressmen at large this year, and both of these are republicans. Thomas F. Marshall will be re-elected, and B. F. Spalding being named as his associate. The legislature, which will elect a successor to United States Senator Hansborough, is overwhelmingly republican.

KANSAS.

Topeka, Kan., Nov. 6.—The republican victory in Kansas is complete. A good majority of the legislature, all the state officers and a large part of the county officers were taken by the republicans. Chairman Albaugh, of the republican state committee, made the following statement Wednesday night: "Returns have been received from every part of the state, and they indicate the election of W. J. Bailey and the entire republican ticket by about 35,000 plurality. The republicans have elected every member of congress and over 90 members of the state legislature."

NEBRASKA.

Lincoln, Neb., Nov. 6.—Complete returns from enough counties to accurately forecast the result show that Mickey, rep., has been elected governor of Nebraska, by not less than 3,000 and probably by 5,000 plurality. The rest of the republican state ticket is elected by an increased plurality. For congress the republicans carry three districts, fusionists one, and two districts are in doubt. Republicans will control both branches of the legislature by a greatly increased majority, having 53 senators and 70 of the 100 house members.

MONTANA.

Butte, Mont., Nov. 5.—Reports received up to midnight give the state to the republicans almost beyond a doubt, although defeat has not yet been conceded by the democrats. Over 25 precincts have been heard from, including the largest counties in Montana.

Butte, Mont., Nov. 5.—Reports received up to midnight give the state to the republicans almost beyond a doubt, although defeat has not yet been conceded by the democrats. Over 25 precincts have been heard from, including the largest counties in Montana.

CALIFORNIA.

San Francisco, Nov. 6.—Complete returns from San Francisco and partial returns from all over the state indicate that George C. Pardee, republican nominee for governor, is elected by a majority of 2,000 or 3,000. The plurality of 9,000 given by San Francisco to F. K. Lane, the democratic nominee, has been almost wiped out by republican majorities in the interior counties. The republican vote for Pardee in Southern California is justifying the claim of the republican campaign committee and has undoubtedly elected Pardee.

NORTH CAROLINA.

Raleigh, N. C., Nov. 5.—The returns from 35 counties give a democratic majority of over 20,000. These are from the

eastern and middle counties, and the same ratio will give the democratic state ticket a majority in the state of approximately 65,000. The only congressional districts in which the democrats are doubtful are the Eighth and Tenth, and there is nothing definite from either district yet. Both parties were claiming each at 10 o'clock Tuesday night.

DELAWARE.

Wilmington, Del., Nov. 5.—The polls closed in Delaware at 6 p. m. Indications are that the vote in the state was lighter than two years ago. The contest for the legislature apparently close and the result will probably not be known until the full vote is counted. The election of Henry A. Houston, dem., for congress, is indicated. The returns are being received slowly, with no legislative districts completed.

PENNSYLVANIA.

Philadelphia, Nov. 6.—Practically complete returns from the state indicate a plurality for Samuel W. Pennypacker, rep., for governor, of about 135,000. Of the 32 congressmen elected 23 are republicans. The incoming house of representatives will be made up of 157 republicans and 47 democrats, and the senate will contain 37 republicans and 11 democrats.

GEORGIA.

Atlanta, Ga., Nov. 5.—Georgia elected a solid delegation of 11 democratic congressmen. So little interest was taken in the election that the figures in the 11 districts were not collated Tuesday night. Except in the Seventh district the democrats had no opposition, and in that district it was inconsequential. The vote polled was very light. The election was for congressmen only.

MASSACHUSETTS.

Boston, Nov. 5.—Lieut. Gov. John L. Bates, of Boston, was elected governor by the republicans in the state election Tuesday, defeating William A. Gaston, democratic candidate, by 37,473 plurality, the vote being: Bates, rep., 155,961; Gaston, dem., 118,482. The republicans also elected the rest of the state ticket and 10 out of 14 congressmen. The state legislature remains unchanged.

MINNESOTA.

St. Paul, Minn., Nov. 6.—With the receipt of more nearly complete returns the majority of Gov. Vansant will be at least 50,000 and may go as high as 75,000, a record breaking majority in Minnesota for a gubernatorial candidate. Eight of the nine congressmen are republicans, the lone democrat being former Gov. John Lind.

IOWA.

Des Moines, Ia., Nov. 6.—More complete returns place the republican plurality of the state ticket in Iowa a little above 70,000. The plurality of P. B. Birdsall, who will succeed Speaker Henderson from the Third district, is 5,255, and that of M. J. Wade, in the Second district, the only democratic congressman elected, 1,140.

CONNECTICUT.

New Haven, Ct., Nov. 5.—The democratic state organization at 11:30 p. m. conceded the election of the entire republican ticket in Connecticut with the general assembly safely republican on joint ballot. With complete returns from 140 of the 163 towns in Connecticut the republican plurality is conservatively estimated at 15,000.

WEST VIRGINIA.

Wheeling, W. Va., Nov. 5.—Returns coming in slowly indicate the certain election of H. B. Dovenor, republican, for congress, in the First district, by slightly reduced majorities compared with 1900. In the Second district John T. McGraw claims his election over A. G. Dayton, republican, but the republicans do not concede it.

MARYLAND.

Baltimore, Md., Nov. 5.—The election in Maryland, which was only for congressmen, passed off quietly with the exception of a few minor disturbances in the eastern district of this city. Of the six congressmen the republicans elect four and the democrats two. The vote in the Third district was very close. Wachter having a majority of about 100.

MISSISSIPPI.

Jackson, Miss., Nov. 5.—The vote in Mississippi Tuesday was very light, the tabulation so far made indicating a total of less than 40,000. All the democratic candidates for congress were elected without opposition. The constitutional amendments are believed to have been defeated.

TEXAS.

Dallas, Tex., Nov. 5.—The vote in Texas for state and congressional officers Tuesday was lighter than in 1900. The democrats swept the state, the ticket headed by S. W. F. Lanham winning by a heavy majority. Latest returns show that the democrats elected congressmen from all 16 districts.

COLORADO.

Denver, Col., Nov. 5.—At 10 p. m. the returns from the state were so meager that it is impossible to give a reliable estimate of the result in Colorado. That the republicans have made heavy gains throughout the state is generally conceded. Lake and El Paso counties have given republican majorities.

FLORIDA.

Jackson, Fla., Nov. 5.—A light vote was polled throughout the state. Congressmen Sparkman and Davis are re-elected from the First and Second districts respectively without opposition. Attorney W. B. Lamar is elected in the new Third district. There was no opposition to the democratic ticket, state or congressional.

VIRGINIA.

Richmond, Va., Nov. 5.—Returns are coming in slowly, but the state certainly will return a full democratic congressional delegation. The latest returns from the Ninth district, which furnished the only serious contest in the state, assures the election of Rhea, dem.

WISCONSIN.

Milwaukee, Wis., Nov. 5.—Belated returns increase Gov. LaFollette's plurality in the state to 50,000, estimated. As near as can be figured out, the next legislature will be made up as follows: Assembly, 35 republicans and 25 democrats; senate, 31 republicans and 2 democrats.

SOUTH CAROLINA.

Charleston, S. C., Nov. 5.—The democrats elected their entire congressional, state and county ticket almost without the slightest opposition. George county elects a full democratic ticket for the first time in 35 years.

NEW JERSEY.

Trenton, N. J., Nov. 5.—The republicans will again control both houses of the New Jersey state legislature by heavy majorities.

IDAHO.

Boise, Idaho, Nov. 5.—Scattering returns, mostly from the southern part of the state, show Morrison, rep., for governor, running ahead of Hunt, dem. The vote in the Gentile precincts was heavily republican. Definite figures will be very late.

WASHINGTON.

Seattle, Wash., Nov. 5.—At 10:30 p. m. returns coming in slowly. Indications are that the state will go republican by about 20,000 majority, with the election of three congressmen and the control of the legislature.

NEVADA.

Reno, Nev., Nov. 6.—The entire fusion state ticket has been elected, with the exception of Bray, superintendent of schools. Sparks' majority for governor will be fully 1,700. Van Duser, for congress, carried the state by 1,000.

NEW HAMPSHIRE.

Concord, N. H., Nov. 5.—Twenty towns and wards in New Hampshire give Bacheider rep., for governor, 2,330; Hollis, dem., 1,588. Same towns and wards in 1900 gave Jordan, rep., 2,919; Potter, dem., 1,850.

RHODE ISLAND.

Providence, R. I., Nov. 5.—The election of L. F. C. Garvin, dem., for governor, is practically assured because of the poll he has made in 87 districts out of 130 of 15,407, as against 12,829 for Kimball, republican.

WYOMING.

Cheyenne, Wyo., Nov. 5.—Meager returns from the state indicate that the entire republican ticket is elected. Mondell, rep., for congress, will have 4,000 majority.

ALABAMA.

Montgomery, Ala., Nov. 5.—The full democratic state ticket is elected by a large majority. "Lily-white" republican vote not as large as expected. Returns insufficient to give accurate figures.

SOUTH DAKOTA.

Sioux Falls, S. D., Nov. 5.—At 9 o'clock the indications received from the state at the republican headquarters were that the state ticket would have a plurality of about 15,000.

TENNESSEE.

Nashville, Tenn., Nov. 5.—The entire democratic state ticket, headed by James B. Frazier for governor, has been elected by a majority estimated at 50,000.

LOUISIANA.

New Orleans, Nov. 5.—All the democratic nominees for congress in Louisiana are elected.

ARKANSAS.

Little Rock, Ark., Nov. 5.—All the democratic nominees for congress in Arkansas are elected.

FATAL SHOOTING AFFAIR.

Three Men Were Killed on the Street at Orange, Tex.

Orange, Tex., Nov. 6.—Three men are dead as a result of a shooting affair here late Wednesday.

Bad blood is said to have existed between Jeff Chenault and Will Harris, a well-known young man, for some time. Wednesday the two met and after a war of words Harris secured a double barreled shotgun and killed Chenault. Harris ran to escape the fire of Chenault's brother, but was apprehended by City Marshal Jordan, who was close at hand. While the officer was conducting young Harris to jail he was shot and killed and his prisoner escaped. It is not known who killed Jordan, although there were a large number of people on the street at the time of the tragedy.

Will Harris was later arrested and placed in jail. At this juncture his brother, James Harris, started for a nearby store declaring he would procure a weapon and take part in the affair. It is claimed that Tony Jones handed Harris a gun, after which the former jumped into a buggy and, as he was driving away officers appeared on the scene and opened fire on Jones, inflicting wounds from which he died a few minutes later.

THE PARCELS POST.

Annual Report of the Assistant Postmaster General.

The Amount Estimated For Railroad Transportation of Mails in This Country For Next Fiscal Year is \$38,242,000.

Washington, Nov. 4.—The annual report of William S. Shallenberger, assistant postmaster general, commends parcel post conventions with various European governments and a test with other countries of a universal postage stamp plan.

Concerning parcels post he says: "The average weight of parcels dispatched from this country to all countries only slightly exceeds 3½ pounds. The average weight of parcels dispatched from this country to Germany is 2-3 pounds. The domestic postal service of this country does not permit the introduction of parcels heavier than four pounds in weight; therefore, in view of the fact that four pounds, as a limit of weight, will fairly meet the requirements of this country, I recommend the tender of parcels post conventions with England, France, Italy and other countries of Europe, similar to that now in force between this country and Germany, with the exception that the weight of parcels be limited to four pounds; and further recommend that six months notice be given to Germany of the desire of this country to modify the existing conventions so as to reduce the weight of parcels from 11 to 4 pounds. If promptly negotiated, these conventions with other countries of Europe might have a year's test in practical operation before the universal congress convenes in Rome in 1904, at which time the delegates from this country would be prepared to discuss the subject more intelligently."

Mr. Shallenberger recommends agreement with some European governments on a universal postage stamp, scheme in advance of the postal congress in Rome in 1904. His plan requires that every letter shall have upon it the stamp of the country to which it is mailed, and yet a stamp that may be conveniently paid for in the country which has invited the reply.

The amount estimated for railroad transportation for the next fiscal year is \$38,242,000, an increase of over 5 per cent. from the current year.

PRESIDENT PALMA'S MESSAGE.

Cuban Congress, Which Adjourned October 20, Reconvened.

Havana, Nov. 4.—The Cuban congress, which adjourned October 20, reconvened Monday. President Palma, in his message to congress, takes an optimistic view of the future of the republic. He refers to the remarkably good order that has been preserved throughout the island, which he says is proof of the peaceful nature of the Cuban people. The president says also that the sanitary condition of Cuba is to day even better than it was during the period of American intervention.

"Our relations with the United States," continued the message, "are especially cordial; proof of this is found in the negotiations between Cuba and the United States, for a commercial treaty on a basis of mutual tariff concessions. The special object of this treaty is to obtain positive advantages for our products, particularly sugar, which is the principal basis of Cuban wealth."

"It can be hoped, from the sympathy with which the American people regard us, and from the manifest interest which President Roosevelt entertains in the prosperity of Cuba, that a reasonable arrangement by means of this treaty can be arrived at."
